संदर्भ:- F.233025/KV Kankarbagh(FS)/2023-24/28 dated 23-06-2023

महाशय,

It is intimated that the building structure is likely to perform satisfactorily during its useful life/design period. I personally visited the building on 23-06-2023 and the school building found satisfactory in general. Hence under normal condition, school building is safe and secure for running classes.
