कंकड़बाग, पटना, बिहार।

विषय:- To provide building safety certificate of Kendriya Vidyalaya No.-1,  
Kankarbagh, Patna.

महाशय,

It is intimated that the building structure is likely to perform satisfactorily during its useful life/design period. I personally visited the building on 04-06-2021 and the school building found satisfactory in general. Hence under normal condition, school building is safe and secure for running classes.
